MEDIA RELEASE

The three Trinidad & Tobago Junior Golfers who made the cut in the Doral Publix in Miami had mixed days in the final round today.

For Immediate Release:

Liam Bryden had a bad day shooting an 82 to finish 18th in the 16-18 division in one of the biggest international junior events. With 120 juniors from all over the world competing an 18th place finish is still very respectable with scores of 79,75, 82.

Serena Mackenzie competing in the 14-15 division had her best round of the tournament shooting an 80 today to finish in 27th position. Her three rounds were 87, 87, 80.

Ysabelle Lawrence playing in the girls 16-18 division shot an 89 today which followed rounds of 84,82 to fall to 40th position.

The tournament exposure will bring them to the attention of US college coaches which will hopefully help them to gain scholarships.
