## **MEDIA RELEASE**

### **Trinidad & Tobago junior golfer Sachin Kumar finishes in fourth place after completion of the Junior Orange Bowl golf tournament.**

#### **For Immediate Release:**

Sachin Kumar playing in the Junior Orange Bowl golf tournament and competing against some of the top junior golfers in the world held his nerve on the last day to finish tied fourth.

Sachin struggled on the front nine turning in 3 over par 38 but kept his game together and mixed 2 bogies with one birdie on the back nine to shoot a score of 75.

Sachin totaled 285 (1 over par) and finished 1 stroke behind Joaquin Niemann of Chile and Adrien Dumont Chassart of Belgium and 5 strokes behind the overnight leader and winner Kristoffer Reitan of Norway.

This was an outstanding performance by Sachin who was competing against 55 specially invited junior golfers. To qualify a golfer's performances and position in the Junior rankings over the year have to be of sufficiently high quality to gain an invite. This performance should have given Sachin the necessary confidence to do even better in 2016.
