MEDIA RELEASE

Three Trinidad & Tobago Junior Golfers make the cut in the Doral Publix in Miami.

For Immediate Release:

Led by Liam Bryden all five Trinidad & Tobago Junior Golfers improved on their first round scores at the Doral Publix Junior Golf Championships in Miami Florida on the second day. Liam competing in the boy's 16-18 division shot a great round of 75 to go with his first day score of 79 on the Doral Blue Monster to now lie in a 4th place. Liam is 6 strokes behind the leader. Dinesh Jackree also in the 16-18 Division did not fare so well shooting an 85 to go with the 88 he shot on the first day and did not make the cut.

Ysabelle Lawrence competing in the Girls 16-18 division on the Red Tiger course also improved shooting an 82 today to go with yesterdays'84. Ysabelle had 3 bad holes where she struggled to get out of the tough bunkers and is now in 31st position.

Serena Mackenzie playing in the Girls 14 -15 division shot another fighting 87 to lie in 27th position after day two.

Ryan Peters competing in the Boys 14-15 continued to struggle in the windy conditions on the Doral Gold shooting an 87 to go with yesterdays'88 to finish and unfortunately did not make the cut for the top 60 players.

Liam needs to shoot a really low round on the final day to take this prestigious title, while both Ysabelle and Serena are hoping to score a lot better to move up the leader board
