MEDIA RELEASE

Three Trinidad & Tobago Junior Golfers playing in the World Junior Golf Series

For Immediate Release:

Sol Joanni a member of the Leeward Golf Club in Tobago, Sabrina Mitchell and Ryan Peters of St Andrews G.C. struggled on the first day of World Junior Series tournament in Saint Augustine Florida playing at the World Golf Village – Slammer & Squire Course.

The players struggled on a difficult course with difficult conditions.

Sol had a triple bogey 6 on the par three second hole and then a double bogey on the fourth but settled down to shoot a 41 on the front nine. Sol continued to struggle throughout the back nine finishing with a 12 over par 84. Ryan also got off to a bad start being 5 over after 5 holes but also showed grit and determination to par the last 4 holes on the front nine. Ryan continued to fight hard but a triple bogey 7 on the long par 4 12 hole, and a double bogie 7 on the 16th derailed him somewhat and he finished with an 82 to lie in 25th position.

Sabrina struggled with the golf course on the first six holes not making a par until she settled down and then parred 7,8,9 to finish the front nine 7 over par. But she continued to struggle on the back nine and shot a 95.

All three juniors expect to do a lot better over the last 2 rounds
