The 3 players arrive in England on Sunday 10th and have a practice round on Monday 11th with the tournament running from 12-14 September.

The Duke of York Young Champions Trophy is a select, international 54-hole stroke play golf tournament for young men and women for the current holder of their Under 18 National Championship or the winner of a separate but recognized major golfing event in the preceding year. It is the only junior tournament in the world that plays solely on Open Championship (Links) courses.

The Duke of York Young Champions Trophy draws players from all over the world and has a number of notable past participants including Rory McIlroy, Matteo Manassero, Pablo Martin and Anna Nordqvist. His Royal Highness's aims for the tournament are to promote the development of junior golf, encourage competitiveness and friendship between individual champions whilst providing them with an opportunity to play on Open venue courses against their peers. The event is supported and overseen by officials of the Royal & Ancient and counts towards the World Amateur Golf Rankings.
