

The 59th Caribbean Amateur Golf Championships.

1. The Caribbean Amateur Golf Championships, organised by the Caribbean Golf Association and hosted this year by the Jamaican Golf Association, took place at both the Half Moon Bay course where the Hoerman Cup and the George Teal Cup teams played, and the Cinnamon Hill course where the Mid-Amateurs, Seniors and Super Seniors played and was held from 28-31st July, 2015.
2. Teams from nine countries contested the Arthur Ziadie Trophy and 116 participants entered the individual competitions. The courses had suffered from a lack of rain and as such the players were getting a lot of run.
3. The greens on both courses proved to be very difficult for our players.
4. The team won the Arthur Ziadie Trophy as overall champions; this being the first time since 2011. This came down to the wire and we won by 2 points.
5. The Francis Steele Perkins Trophy for Seniors was won by Carlos Baynes and Richard Camacho in a very close battle.
6. The Trinidad & Tobago ladies team without Monifa Sealy for the first time in 6 years provided a spirited fight in an effort to retain the George Teale Cup. This was one of the youngest teams ever sent to compete in this event. They finished third
7. The Hoerman Cup team finished fourth having the lowest score by any team on the fourth round. But we were still a long way behind the Dominican Republic and host Jamaica but closed the gap on 3rd place Puerto Rico.
8. Trinidad & Tobago finished 3rd in the Higgs & Higgs trophy
9. The Ramon Baez team was disqualified for not filling in their card correctly but their scores on the last three days assisted in winning the Arthur Ziadie Trophy.
10. Putting seemed to be most players' problems, with those on Cinnamon Hill struggling with the lack of speed and those on Half Moon Bay struggling to position their ball in the correct position.
